Q. Okay. So for clarity and for the court
1
 2
     reporter, would you please spell the first name of the
     first doctor you mentioned?
 3
 4
             So the first doctor is Victor Adeyeye,
    V-I-C-T-O-R, first name. Surname, Adeyeye,
 5
    A-D-E-Y-E-Y-E
 6
 7
         O. Okay. And the second doctor?
 8
         A. The second doctor, first name, Ujomoti,
9
    U-J-O-M-O-T-T.
         O. And the last name?
10
11
         A. Akintunde, A-K-I-N-T-U-N-D-E.
12
         Q. And the third doctor you identified?
13
             Okay. So the third doctor, first name, Henry,
14
    H-E-N-R-Y. Surname, Aiwuyo, A-I-W-U-Y-O.
         Q. And you said you reviewed correspondence with
15
16
     these three doctors?
17
         A. Yes.
18
         Q. And what do you mean by correspondence?
19
              Were they letters? E-mails? Text messages?
20
         A. E-mails. E-mails.
             MS. LEAL: Counsel, I do not believe those
2.1
     e-mails that Dr. Asekomeh just referred to were
22
    produced, so I would request --
23
24
              MR. MUSSIG: They were -- they were -- we
25
    produced them this morning. Dr. Asekomeh can testify to
```

this. He -- during our prep session, he referenced
1
 2
     them, and they took a little time to pull them, but we
     got them and produced them this morning.
 3
             MS. LEAL: I have not had a chance to even open
 4
     up my e-mail, so if you sent them to me, I don't have
 5
6
     them.
7
              MR. MUSSIG: Okay.
 8
              MS. LEAL: Perhaps I'll review them during a
9
     break. And so we'll continue right now.
     BY MS. LEAL:
10
              Okay. Dr. Asekomeh, what is your date of
11
          Q.
     birth?
12
13
              16 November, 1971. 16 November, 1971.
14
          Q.
              So you're, what, 43 years old?
15
          Α.
              I'm 52 years old.
16
              Oh, 52. That's why I'm a lawyer. I'm horrible
          Q.
17
     at math.
18
              Who is your employer, Dr. Asekomeh?
19
              Okay. So my current employer is Deep Drill Oil
20
     Services, Deep Drill Oil -- D-E --
2.1
              (Simultaneous crosstalk.)
     BY MS. LEAL:
22
23
          O. D-E-E-P?
24
          A. D-E-E-P, Drill, D-R-I-L-L, Oil Services.
25
          Q.
             Deep Drill Oil Services.

So I can't exactly recollect now, but our 1 2 practice is such that you do phone calls and you do e-mails and sometimes face to face conversations. So as 3 of that time, I was in Warri, and Dr. Victor's office 4 was only few doors away from mine, so we would have had 5 face-to-face discussion. 6 7 O. With who? 8 Α. Dr. Adeyeye. 9 Victor. Ο. 10 Α. Yes. 11 So he was in the same location you were, so you Ο. may have had face-to-face discussions with him? 12 13 Α. Yes. The other two doctors were not at the same 14 0. 15 location as you in Warri? 16 So Dr. Aiwuyo was in EGTL in Escravos here, and Dr. Akintunde is based in Lagos. 17 18 Okay. Now, looking at this document --Ο. MS. LEAL: And I'll ask Jacob to scroll it. 19

Q. And my question simply is: Are there any other e-mails that you can recall having exchanged with any of these three other doctors pertaining to Mr. Snookal?

A. As I said earlier, I was just able to open my e-mails yesterday while the team in the U.S. -- Rob and

```
his group were able to get this to -- from the back end.
1
 2
    So I will have to check again. Because I -- we -- there
    was some change in the system that made it difficult to
 3
    access all the e-mails. I got the capacity to open them
 4
    up yesterday.
 5
              So there may be additional e-mails that you may
 6
          Ο.
7
     find where you were corresponding with these three other
8
    doctors regarding Mr. Snookal?
              I will have to look at the sequence of these
9
10
     ones. You are moving too fast. So this correspondence
11
     is amongst four doctors. There's also -- Dr. Pitan was
12
    being communicated, and that's my supervisor. Can you
13
     scroll it from the beginning?
14
              MR. MUSSIG:
                           Do you mean from the bottom?
15
              THE WITNESS: No, no, it's okay. It's okay.
16
              MR. MUSSIG:
                           Okay.
17
              THE WITNESS: Yeah, it was a case summary I did
18
     to Dr. Pitan at the end of all of this. I don't know if
19
     that is included.
20
    BY MS. LEAL:

              I have that as a separate exhibit that I'll
22
     show you next. These are just e-mails.
              Okay. I would have to go through my e-mails
23
         Α.
24
     again.
25
          Q.
              Okay. So I would ask that you do check to see
